

INFINITY WEEK FRIDAY lesson 2

A2 The future of medicine

Instruction: Follow these general guidelines. Use the links provided on the syllabus website. Underlined items are links to ADDITIONAL support.

Aims

Stage 1

- Ask students if they do any exercise? If yes, what kind of exercise do they like doing and why? If not, why don't they do any? Do they like their PE lessons at school?
- Click on the **Stage 1** link. Ask students to find the website on the tablets and find as many expressions connected with giving instructions as possible.
- Ask students to stand up. Play SIMON SAYS game.

e.g. Simon says sit down, Simon says bend your knees, inhale, exhale etc.

- Volunteers can give instructions to the group.

Stage 2

- Students work in pairs. Give them 5 minutes to come up with as many body parts as possible.
- Click on the **Stage 2** link. Ask students which body part they want to focus on. Tell them to find the website on the tablets and watch the movie. They need to make a note of at least 6 new words.

- Go to:

<https://www.proprofs.com/games/word-search/create/>

and show the students how to create a word search

- Ask students to find the website on the tablets and prepare a word search on any new words they have learnt this week.
- Students swap tablets and do each other's word searches
