[Aims](#)

Communicative task:

- Click on the **Stage 1 and Stage 2** links. Tell students to find the websites on their tablets and skim through the text.
- In pairs, students decide what futuristic job they would like to do. They may make up their own job.
- Role play: In groups of four or five one student says what job he would like to do and the other students conduct a job interview.

HOMEWORK

- Students interview their host families: *What do you know about Artificial Intelligence?*
