

Instruction: Follow these general guidelines. Use the links provided on the syllabus website. Underlined items are links to ADDITIONAL ideas/activities/support.

[Aims](#)

Stage 1

- Click on the **Stage 1** link. Go through all the activities with the whole group “collecting” new science vocabulary on the board.
- Ask students to use their favourite strategies to memorise all the words from the board.

Stage 2

- Click on the **Stage 2** link. Ask students to find the website on their tablets (in pairs) and choose one topic.
- Students explore the topic and note down new vocabulary items.
- Ask each pair to give you at least 6 new science vocabulary items. Put them on the board.
- Competition: give students 3 minutes to memorise as many words as possible.
- Ask the winner to share his/her memorising strategy with the whole group.
