[Aims](#)

Stage 1

- Click on the **Stage 1** link. Go through the instructions with students. Whenever there is an example ask students to come up with their own examples in pairs.

Stage 2

- Click on the **Stage 2** link. Demonstrate how the website works. Tell students to put their name in the Title slot as this becomes part of the website address. In pairs, students use telegra.ph to write a fan letter to their favourite celebrity.
- Display several letters on the screen (ask students to give you their website address – you need to input the address in the website address line and NOT the search box). Correct grammar errors. Ask students to edit their letters.

HOMEWORK

- Students interview their host families: *Have you ever met any celebrities? Are you a celebrity? Who are the most famous people in the local area?*
