

B2 Citizen science

Instruction: Follow these general guidelines. Use the links provided on the syllabus website. Underlined items are links to ADDITIONAL support.

[Aims](#)

Warm-up

- Click on the **Warm-up** link and play the video. Ask students to open a dictionary app to look up new vocabulary. Pause after every puzzle and give students time to try and work out the answer in pairs.
- Ask students if they know any science puzzles that they could share with the whole group.

Main activities

- Discussion: We are all scientists. True or False
- Click on the **Article** link. Tell students to find as much information as possible about citizen science.
- In pairs, students do more research (e.g. on Zooniverse) on citizen science and find a project they would like to take part in. They prepare a mini presentation describing the project and why they chose it.
