

A2 The future of medicine

Instruction: Follow these general guidelines. Use the links provided on the syllabus website. Underlined items are links to ADDITIONAL support.

[Aims](#)

Warm-up

- Write/display the following sentences on the board:

Food makes you _____
Food gives you _____

Sport keeps you _____
Sport makes you _____
Sport exercises your _____

Hygiene keeps you _____
Hygiene stops _____
Hygiene kills _____
Hygiene keeps _____ away

Ask students to finish the sentences in pairs

- Click on the **Warm-up** link. Students listen to the song and check their predictions and write down the words from the song. Explain any unknown vocabulary eg. decay

Main activities

- Write the word NURSE on the board. Ask students to come up with as many words as possible that they associate with the job. eg: things he/she does, needs, personality etc.
- Click on the **ACTIVITY** link. Ask the students to come up to the board and do the vocabulary task.
- Ask students to find the website on their tablets and do the GAME activity while listening to then video.
- In pairs, ask students to write down 5 TRUE/FALSE sentences about Florence.
- Students read their sentences to the other pair and try to answer whether the sentences are true or false.
